

Online Banking- Changing your eCBT User ID and/or PIN

Centinel Bank makes it easy to change your eCBT ID and your PIN to allow you a fast way to keep your online banking account secure. You can change your Online Banking ID to a name or number that's easier to remember. You can also reset your PIN number, which we recommend you do every 90 days for security purposes.

To change your eCBT ID or PIN, follow these steps:

Log on to eCBT Online Banking and choose “Options” from the menu bar:

To reset your ID, under personal ID, put in a new ID and then click “submit.” (You can still login using the 12-digit login ID at any time.)

NOTE: If you just want to change your eCBT ID click submit after entering the new ID. You DO NOT need to change your PIN to change your ID.
