Pay Bills

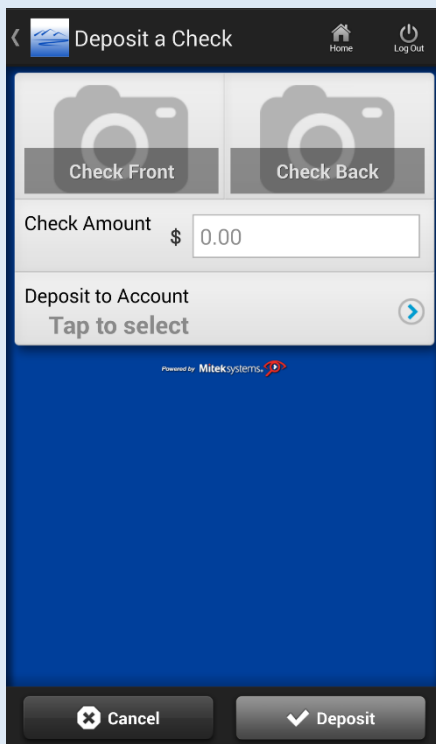

Bill Pay allows you to pay bills through your mobile device from accounts connected to Mobile Banking. *(Set up and editing of Bill Payees must be completed through your Online banking account)*

The 'Pay Bills' screen in the mobile app features a dark blue header with the title 'Pay Bills' and icons for 'Home' and 'Log Out'. Below the header, there are five input sections: 'Payee' with a 'Select Payee...' button and a right arrow; 'Pay From' with a 'Select Account...' button and a right arrow; 'Amount' with a text field showing '\$ 0.00'; 'Process Date' with a 'Select Date...' button and a right arrow; and 'Memo' with a text field containing the word 'memo'. At the bottom, there are two buttons: 'Cancel' with a red 'X' icon and 'Submit' with a green checkmark icon.

Deposit

Deposits allows you to deposit a check into your account from your mobile device or review previous deposits to your account. *(To activate this feature, contact a Centinel Bank Representative)*

The 'Deposit a Check' screen in the mobile app features a dark blue header with a back arrow, the title 'Deposit a Check', and icons for 'Home' and 'Log Out'. Below the header, there are two camera icons labeled 'Check Front' and 'Check Back'. Below these is a 'Check Amount' text field showing '\$ 0.00'. Underneath is a 'Deposit to Account' section with the text 'Tap to select' and a right arrow. At the bottom, there are two buttons: 'Cancel' with a red 'X' icon and 'Deposit' with a green checkmark icon. A small logo for 'Powered by MitekSystems' is visible above the bottom buttons.

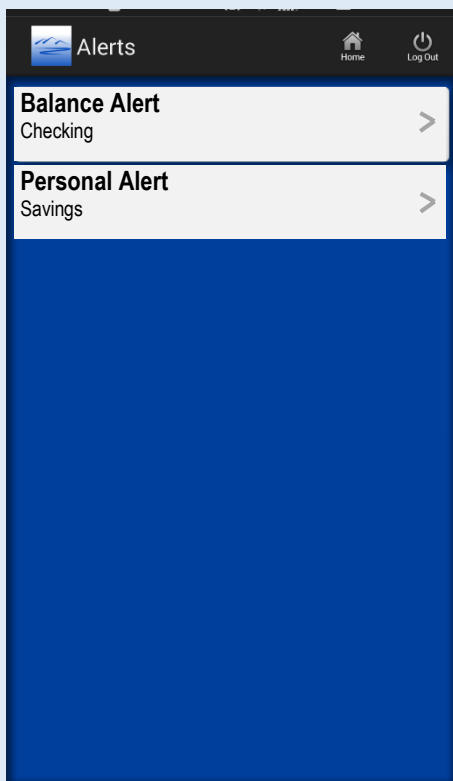

Manage Cards

Manage Cards allows you to Activate, Suspend, or Permanently Inactivate (Report Lost or Stolen) a Debit/ATM card. Refer to our Manage Cards Feature Guide for more information.

Alerts

Alerts lists the current alerts you have created through your Online Banking account. You can create multiple alerts for events such as statement availability and high account balance.

Locations

Locations allows you to search for branch and ATM locations on your device, either through a manual search based on Zip Code or City/State, or through use of the device's GPS.
